

Eurofast

Since 1978

Dear friends and associates,

I hope our email finds you well.

Needless to say, we are following the recent developments in Ukraine, and we are thinking of all our friends and associates there, hoping that the Russian aggression in Ukraine will end soon!

We are aware that Ukrainian people both in Ukraine and abroad are facing difficult times and we believe that we can all take small steps and through common effort contribute to a better future.

In a humble attempt to make our contribution and following the implementation of the EU Temporary Protection Directive, we announced our intent to hire Ukrainian lawyers and accountants, payroll specialists and IT in all our EU offices.

Furthermore, Eurofast in its continued efforts to support Ukrainian entrepreneurs and help them deal with the consequences of war, is offering a 50% discount on all our fees for Ukrainian nationals wishing to use our professional services: (Tax & Transfer pricing, Payroll & Employment, Accounting & Compliance and Advisory) in any of our 18 offices in Europe.

This unique European-wide offering gives Ukrainian nationals the advantage of selecting a jurisdiction that suits them best and explore the benefits that can be gained from each jurisdiction during this temporary period that the Russian aggression continues in the territory of Ukraine. For more information and to qualify

for this offer, please contact info@eurofast.eu

Our relationship with Ukraine has been closer some time now. As you might know, our Group CEO Mr. Christodoulos Damianou was appointed Honorary Consul of Ukraine in the Republic of Cyprus in Sept 2020. He has been promoting the political and economic interests of Ukraine and protecting the interests of Ukrainian citizens and legal entities. Nowadays, his duties are even more influenced by the war in Ukraine. Our offices were and still are offered as collection points for humanitarian donations to be offered to Ukrainian people. Our organization sponsors occasionally various events, exhibitions, and other cultural matters. One of the last events we contributed to, was the charity concert in Larnaca “Душа моя, Україно!”
